WHY THIS MATTERS

One step decides your whole season

Every External Agent and OTA selling Umrah Services must be licensed on **NUSUK MASAR**, the Ministry of Hajj and Umrah's unified platform. One step decides your whole season: choosing and contracting with a **licensed Saudi Umrah company**.

That partner approves your visa requests, delivers your pilgrims' hotels and transport, and appears on your Ministry-approved contract for the season.

✓ Choose well

Fast approvals, flexible packages, and support when something goes wrong.

✕ Choose badly

Delayed visas, rigid package rules, and a full season locked into the wrong contract.

⚠ **The contract can only be signed in person, once a year,** at the Umrah & Ziyarah Forum for each Umrah session. If you miss the window, you miss the season. **NUSUK CONSULT takes you from the first form to the signed contract.**

WHAT WE DO

1 Partner Matching

We shortlist licensed Saudi Umrah companies that fit how you sell. We look at:

Visa approval speed
Their track record on turning around External Agent visa requests on NUSUK MASAR.

Package flexibility
Whether they offer full packages only, or light options such as visa only with a flight reservation and a short-stay hotel.

Service coverage
Hotels in Makkah and Madinah, ground transport, and add-ons.

Support quality
Whether you get a dedicated contact who answers during the season.

Commercial terms
Pricing, cancellation and refund policies, and bank guarantee requirements.

2 NUSUK MASAR Application Filing

We prepare and file your licensing request: facility data, representative data, form data, financial data, and document uploads. Then we track each status until your request moves forward.

WHAT WE DO, CONTINUED

From contracting request to Final Approval

3 Contracting Request and Forum Booking

We submit your contracting request to the selected Umrah Company and book your agreement-signing slot at the Umrah & Ziyarah Forum.

4 Your Representative at the Forum

If you cannot travel to Saudi Arabia, our representative attends the Forum for you. They meet your partner company, oversee the physical signing, and collect your contract file.

5 Contract Approval and Ministry Follow-Through

We follow up until your partner updates NUSUK MASAR with the contract approval. We then guide you through the Ministry of Foreign Affairs stage, including the document uploads and the “Send to Embassy” step, through to Final Approval.

What that means for you

Your contract is directly between your agency and the licensed Saudi Umrah company. **NUSUK Consult facilitates the process but does not sit inside your contract.**

Under the Ministry’s Unified Contract, **all package payments go through NUSUK MASAR only.** No money for your pilgrims’ packages passes through us, and no hidden markup is added between you and your partner.

WHO THIS SERVICE IS FOR

New External Agents
applying for a NUSUK MASAR license for the first time.

Existing agents
who want a better partner: faster approvals, more flexible packages, better support.

OTAs
entering the Umrah market and needing a compliant Saudi ground partner.

Agencies that cannot travel
to the Forum but need the contract signed on time.

Plan ahead: key windows. External Agent registration and Forum contracting happen in a fixed annual window, at the end of the Umrah season around Ramadan. **Start now.** Partner matching, document authentication, and Forum slots all take time. Agencies that prepare early get first choice of partners and signing slots.

What you’ll need to prepare
We give you a full checklist.

FAQ

Questions we hear most

? Can you guarantee fast visa approvals?

Visa approvals depend on your partner company, the Ministry, and how complete each application is. We match you with companies that have a strong approval track record, and we make sure your setup is correct from day one.

? Can I offer visa-only services?

Some Umrah companies offer only full packages (visa, hotel, and transfers). Others offer lighter options, such as a visa only with a flight reservation and a short-stay hotel. Tell us your sales model and we will match you with a partner whose offering fits it.

? Do I have to travel to Saudi Arabia?

No. With the Forum Concierge package, our representative attends and handles the signing for you.

? What if my request is returned for corrections?

We handle the revisions and resubmit for you until your request moves forward.
